DATE

Wed 8 July

VENUE

Central Pavilion

TIME

15:00 – 19:00

I choose and photograph *one* work.

Walk the **Central Pavilion** and select 1 **single** work that draws you in, then photograph it.

Nothing is prescribed: the pull of the work is the whole instruction.

25

participants

You will be placed in one of **two comparable groups** that differ in a *single* respect.

Two conditions, one variable

AA

ANNOTATION AIDED

Write down a few notes on what drew you to the work, enough to recall the reasons later.
Label the annotated sheet with your name before returning it.

→ Signed notes collected after the visit

NAA

NOT ANNOTATION AIDED

You just need to photograph the artwork and keep no notes, relying afterwards on the image and on memory.

→ Image & recollection only

Upload to the group's *shared folder*

After the exhibition upload your chosen photograph to the group's shared Google Drive folder. Every file is **named**.

SO THAT...

each photograph - and, later, each generated image and prompt - stays tied to **one identifiable viewer**.
